User Stories for PlanItPokerMQ

As a player, I want to create a new planning poker room so others can join my game.

As a player, I want to join an existing room so I can participate in the estimation.

As a player, I want to submit my estimate so it's shared with the group.

As a player, I want to trigger the reveal of all estimates so we can compare answers.

As a player, I want to see the final results broadcast so I know everyone's estimate.

As a developer, I want a standalone demo app so I can verify the end-to-end event flow without the full UI.
